CREATE & TRANSFORM YOUR HOME WITH
LUXURIOUS PLANTATION SHUTTERS, BLINDS, & RETRACTABLE SCREEN

One Stop Shop for All Your Home Improvement Needs

BASSWOOD & PVC PLANTATION SHUTTERS

BASSWOOD PLANTATION SHUTTERS are the perfect type of wooden shutters that are sturdy and resistant to warping. It offers the same versatile, warmth, and classic look as the other wooden shutters, with higher durability and lower maintenance.

PVC PLANTATION SHUTTERS are sleek and trendy, and come with various colour options that would perfectly compliment your home's interior design. PVC material offers high durability, ease of cleaning, therefore an effortless maintenance for a timeless elegance.

ROLLER & PERFECT FIT BLINDS

Our **ROLLER BLINDS** are designed and manufactured at our showroom and factory at Coburg, and are ideal for your home, office space or industrial environments. An affordable choice that will give your space a sleek and minimalist look.

PERFECT FIT BLINDS are the highly functional blinds and system complimented with stylish fabrics with different colours and designs to choose from. It provides unique and contemporary appearance, which fits perfectly into a frame. It moves together with the windows or doors when they are opened and closed, giving you the perfect combination of shade and ventilation.

SHUTTERS BLINDS & RETRACTABLE SCREEN

RETRACTABLE & TRACKLESS (BARRIER-FREE) FLY SCREEN

Retractable and trackless fly screen uses an almost seamless fabrics that provides an extra degree of comfort by preventing insects and airborne debris entering the home, as well as enjoying an unblocked view to the outdoor area.

Feel free to open or retract it back into the door/window frame at anytime, and enjoy the revolutionary solution without compromising on style.

The trackless (barrier-free) fly screen allows easy access through the doors, promotes safety for the users, especially for children and elders.
